SEEING THE MOST KINGS

Aurora, Illinois, Girl Says America
Good Enough For Anybody—De-
precates Our Reliance on Paris For
Styles—Don't Need Men.

NEW YORK, Aug. 25.—Twenty-two young women of Peoria, Aurora, Quincy and Springfield, Ill., Council Bluffs, Ia., and St. Paul, Minn., who were sent abroad by their local newspapers as the result of a prize subscription contest, have returned to New York bubbling over with the wonderful things they have seen since they sailed from here eight weeks ago. The party landed at Glasgow and from there went to London, crossed the channel and "did" every place of interest in continental Europe. They brought back 19 Paris hats. They all agreed before sailing from New York, that they would have a contest to see who would get a sight at the most kings.

Miss Bessie Evans, a Springfield, miss, won. She saw three—the king of England, the Kaiser and King Leopold. She had to get up at five in the morning to catch a glimpse of the Kaiser.

"I am for American first, last and all the time," said Miss Carrie M. Eagan of Aurora. "You don't have to go to Paris for your fashions and you don't have to go abroad for your men. You can get more style in New York and Chicago than you can in Paris. Of what use are fine clothes if one cannot wear them with grace and style? You can also get better hair dressers in this country than France."

CHICAGO, Aug. 25.—A forerunner of the revival of the good times in the steel industry was seen yesterday when the Illinois Steel Company em-

ployed 500 men at its South Chicago plant. The officials expect to put 500 men at work beginning next week.
